Edmundo B. Lopez, MD, MHA, MPH

President

Philippine Hospital Association

Medical Center Chief II, San Lazaro Hospital

PHA Building, No. 14 Kamias Road

Quezon City

Dear Dr. Lopez,

The Philippine Wound Care Society (PWCS), in collaboration with the ASEAN Wound Council, is pleased to announce the staging of its 13th Annual Convention to be held on **13-14 July 2023** at the **Novotel Manila Araneta City**. Working around the theme, **“Wound Care Summit 2023: Getting Back on Track”**, this face-to-face convention will endeavor to stimulate discussion on recent developments on wound management thereby ensuring the delivery of the highest standard of wound care across the country.

The Philippine Wound Care Society is a non-profit, non-stock organization founded on 9 September 2009. The members of the society are physicians from various specialty groups (General Surgery, Internal Medicine, Family Medicine, Endocrinology, Diabetology, Cardiology, Vascular Medicine, Rehabilitation Medicine, Dermatology, Vascular Medicine, Cardiothoracic Vascular Surgery, Orthopedic Surgery, Plastic Surgery and other specialties), allied health professionals (wound care nurse, physical therapist) and other health care providers who are involved in wound care.

As an affiliate society of the Philippine College of Surgeons, the members of the Board of PWCS respectfully request your kind assistance in facilitating the dissemination of our cordial invitation to all healthcare professionals and hospital personnel who are involved in wound care to join us in this educational forum.

Attached herewith is our digital convention poster for your perusal. It would be greatly appreciated seeing our digital convention poster posted on the website of the PHA for the entire month of June until the 12th of July 2023.
