15 June 2026

Dear PHA Members,

Greetings from the HBPIPC Awards Y13 Committee!

The Philippine Hospital Association (PHA) is pleased to announce the launching of the Hospital Best Practices in Infection Prevention and Control (HBPIPC) Awards Year 13, a prestigious recognition program honoring exemplary IPC initiatives nationwide.

This year's theme, "Digitally Safe, Ecologically Sound: Strengthening Trust Through Next-Gen IPC", resonates with the overarching theme of the 77th Annual National Convention and Exhibits (ANCeX): "Integrating Technology, Advancing Sustainability, and Strengthening Trust in Health Care."

Awards Night Highlight

Mark your calendars for Wednesday, November 25, 2026, during the PHA 77th ANCeX at The Manila Hotel, where we will celebrate hospitals that continue to set the gold standard in infection prevention and control.

What's New This Year

In addition to the established categories, the Board of Judges is excited to introduce the "IPC Innovation and Digital Transformation Award", spotlighting hospitals that harness technology to elevate IPC practices.

Why Join?

The HBPIPC Awards have long served as a dynamic platform for sharing innovations and learning from the best IPC practices nationwide. Your resilience and commitment to advancing IPC standards inspire trust and strengthen healthcare delivery.

How to Participate

To join this prestigious search, simply register online via this link <https://contest.philippinehospitalassociation.org/hbpipc>. Google Drive link will be provided in your registration notification email. We look forward to your entries and submissions that showcase your hospital's dedication to infection prevention and control excellence.

NO REGISTRATION, NO ENTRY.

Together, let us continue to champion innovation, sustainability, and trust in healthcare.

With commitment to excellence,

Dr. Maria Isabelita M. Estrella, MHA

VP, Government Affairs and HBPIPC Y13 Committee Chairperson

Dr. Maria Lourdes K. Otayza, MHA

President
